

~TRADEMARK/SERVICE MARK ALLEGATION OF USE (15 U.S.C. § 1051(c) or (d))~

NOTE: The following form complies with the provisions of the Trademark Law Treaty Implementation Act (TLTIA).

WHEN TO FILE: Before the USPTO will register a mark that was based upon applicant's bona fide intention to use the mark in commerce, the owner must (1) use the mark in commerce; and (2) file an Allegation of Use. The Allegation of Use can only be filed either **on or before** the day the examining attorney approves the mark for publication in the *Official Gazette*; or **on or after** the day the Notice of Allowance is issued. If the Allegation of Use is filed *between* those periods, it will be returned. To avoid return of an untimely Allegation of Use, you can check the status of your application by calling 703-305-8747, or using <http://tarr.uspto.gov/>

BASIC INSTRUCTIONS

The following form is written in a "scannable" format that will enable the U.S. Patent and Trademark Office (USPTO) to scan paper filings and capture application data automatically using optical character recognition (OCR) technology. Information is to be entered next to identifying data tags, such as <MARK>. OCR software can be programmed to identify these tags, capture the corresponding data, and transmit this data to the appropriate data fields in the Trademark databases, largely bypassing manual data entry processes.

Please enter the requested information in the blank space that appears to the right of each tagged (< >) element. However, do not enter any information immediately after the section headers (the bolded wording appearing in all capital letters). If you need additional space, first, in the space provided on the form, enter "See attached." Then, please use a separate piece of paper on which you first list the data tag (e.g., <Goods and/or Services Not in Use to be **Deleted**>), followed by the relevant information. Some of the information requested *must* be provided. Other information is either required only in certain circumstances, or provided only at your discretion. **Please consult the "Help" section following the form for detailed explanations as to what information should be entered in each blank space.**

To increase the effectiveness of the USPTO scanners, it is recommended that you use a typewriter to complete the form.

For additional information, please see the *Basic Facts about Trademarks* booklet, available at <http://www.uspto.gov/web/offices/tac/doc/basic/>, or by calling the Trademark Assistance Center at 703-308-9000.

NOTICE OF ALLOWANCE INFORMATION

Notice of Allowance: Enter YES or NO as to whether the mark has been published for opposition in the *Official Gazette* and a Notice of Allowance has been issued in connection with the application. Before the USPTO will register a mark that was based upon applicant’s bona fide intention to use the mark in commerce, the owner must (1) use the mark in commerce; and (2) file an Allegation of Use. The Allegation of Use can only be filed either **on or before** the day the examining attorney approves the mark for publication in the *Official Gazette*; or **on or after** the day the Notice of Allowance is issued. All Goods and/or Services in Application/Notice of Allowance: If the owner is NOT using the mark in commerce on or in connection with all of the goods and/or services listed in the application or Notice of Allowance, complete the next section. Otherwise, we will presume such use on or in connection with all goods and/or services.

Goods and/or Services Not in Use to be Deleted: List the goods and/or services (if any) identified in the application or Notice of Allowance with which the owner is NOT using the mark in commerce; or, specify an entire international class(es), as appropriate (e.g., Classes 9 & 42).

Please note this date may be earlier than, or the same as, the date of the first use of the mark in commerce.
